John Weddell with for'ard hand Gail Weddell sailing "The Saint".

AUSTRALIAN CHAMPION USES MILLER & WHITWORTH SAILS

During the 1965 - 1966 season John Weddell using Miller & Whitworth sails won the Monaro championships, the Club and Class championships of Y.M.S.C. of Canberra and the Club championship of the Canberra Yacht Club. In the 1966 - 1967 season using the same sails he won the Australian Heron Class championship on Lake Burley Griffin.

Bob and Craig invite you to discuss your requirements in sails, fittings and riggings so why not take advantage of their experience.

P.S. We accept reverse charge phone calls for sail orders from anywhere within Australia. It is part of the service.

Y. W. HERON SAILING ASSOCIATION OF AUSTRALIA

10TH ANNUAL GENERAL MEETING

Notice

is hereby given that the

TENTH ANNUAL GENERAL MEETING

of this Association will be held at 8.00 p.m., on Monday, 12th August, 1968, at the Cruising Yacht Club of Australia, Beach Road, Edgecliff, N.S.W.

AGENDA

1. Apologies and admission of proxies.
2. Confirmation of the Minutes of the 9th Annual General Meeting held on 14th August, 1967.
3. President's Report.
4. Financial Report.
5. Election of Officers.
6. Election of Auditor.
7. Motions on Notice.
   (a) Changing the Financial Year.
   (b) Rule 5(i) - Notice for Annual General Meetings.
   (c) Rule 5(ii) - Notice for Special General Meetings.
   (d) Rule 6 OFFICERS - Creating new office and changing name.
   (e) Life Membership for John Keen.
8. General Business.

INVITATION

FOR MONDAY, 12TH AUGUST, 1968

C/- 18 Brisbane Ave.,
LINDFIELD.
N.S.W. 2070

Members wishing to attend the 10th Annual General Meeting of the Y.W. Heron Sailing Association of Australia may do so as guests of the President, by whose good offices are the comfortable facilities of the Cruising Yacht Club of Australia made available to us.

A light supper will be available at $1.00 per head payable at the door after a short programme of films on sailing which will be shown, if time permits.

However, for catering and licensing purposes it is essential that we are able to inform the Club of the identity of the members and their friends who will accept the President's invitation.

If you intend to attend, please complete the form appended and return it to the undersigned AS SOON AS POSSIBLE - Certainly not later than Wednesday, 7th August, 1968.

If you cannot attend, a form of Apology and for recording a postal vote, as provided for in Rule 4) (ii) is on the reverse of this letter.

To be formal, a proxy vote must reach the undersigned 48 hours before the time of the meeting - that is by 8 p.m. Saturday, 10th August, 1968.

Yours faithfully,

J.E. SHIPTON
Hon. General Secretary.

ACCEPTANCE

Please note that I will attend the 10th Annual General Meeting of the Y.W. Heron Sailing Association of Australia with ..... friends.

NAME AND ADDRESS (of members of my party)

....

....

....

Signed ..... /8/68.

Hon. General Secretary,
Y.W. Heron Sailing Association of Australia,
C/- 18 Brisbane Ave.,
LINDFIELD. N.S.W. 2070.

APOLOGY AND PROXY

Please record my Apology for non attendance at the 10th Annual General Meeting.

Please note that I, ...
of .....
being a financial member of the Y.W. Heron Sailing Association of Australia and owner of Heron Class Yacht No. ..... hereby appoint .....
of .....
or failing him .....
of .....
as my proxy to vote for me and on my behalf at the 10th Annual General Meeting of the Association held on the 12th day of August 1968 and at any adjournment thereof.

Signed .....
Dated ...../8/68.

To Hon. General Secretary,
Y.W. Heron Sailing Association of Australia,
C/- 18 Brisbane Ave.,
LINDFIELD. N.S.W. 2070

INSTRUCTIONS TO PROXY

Please record my vote in connection with motions on notice and any amendments thereto which may be accepted by the meeting as follows : (write FOR or AGAINST in space provided).

(a) Changing the Financial Year .....

(b) Rule 5(i) Notice for AGM .....

(c) Rule 5(ii) Notice for SGM .....

(d) Rule 6 OFFICERS .....

(e) Life Membership for JOHN KEEN .....

Signed .....

Dated ...../8/68.

MOTIONS ON NOTICE

(a) Moved W.J. Youll Seconded J.E. Shipton
'That in order to give effect to a change in the Association's financial year, the following amendments to Rules be made:

1. Rule 5 Clause (i)
   Delete the word "August" and substitute in lieu thereof the word "May".

2. Rule 8
   Delete the word "August" and substitute in lieu thereof the word "May".

3. Rule 12
   Delete the words "August" and "April" and substitute in lieu thereof respectively the words "April" and "February".

4. Rule 13 Clause (i)
   Delete the words "30th day of June" and substitute in lieu thereof the words "31st day of March".

5. Rule 20 Clause (v)
   Delete the word "August" and substitute in lieu thereof the word "April".

6. Appendix A, Clause 2) and Clause 9)
   Delete the word "May" and substitute in lieu thereof the word "February" in each clause.'

(b) Moved P.S. Rowe Seconded J.E. Shipton
That Rule 5 Clause (i) be amended by adding at the end thereof the following words:-
"and of which not less than 14 days notice shall be given to the members."

(c) Moved P.S. Rowe Seconded G. McTiernan
That Rule 5 Clause (ii) be amended by deleting the words "on 21 days clear notice to the members" and substituting in lieu thereof the words "on not less than 21 days notice to members."

(d) Moved Mrs. E. Barrett Seconded J.E. Shipton
That Rule 6 be amended by deleting the whole of the existing words and substituting in lieu thereof the following:
"6 OFFICERS. The Officers of the Association shall be the President, Immediate Past President, three Vice Presidents, Honorary Secretary, Honorary Assistant Secretary, Registrar, Honorary Treasurer and Editor 'Heron Newsletter', all of whom shall be elected annually except the Immediate Past President who shall hold office as of right until there is a change in the Office of President."

(e) Moved J.E. Shipton Seconded A. Bentley
That John Keen be elected the sixth Life Member of the Association in recognition of his services to the S.A. Branch and to the Heron Class in general.

N.B. Our recognition as a National Class imposes on us the obligation to have changes in the Class Rules ratified by the Australian Yachting Federation. Consequently changes involved in the above resolutions will not be effective until so ratified.

NOTES ON MOTIONS ON NOTICE

(a) The need for a change in the Association's Financial Year has been commented on by the President in his Report enclosed herewith. The issue which makes this desirable is the change of Officials which has in the past occurred just at the time when programmesfor the coming sailing season are being finalised. In this case the outgoing committee may be encouraged to be dilatory in its efforts if there are likely to be changes in Office Bearers, or else eager, but reluctant to commit incoming Officials to plans which the latter may not favour. Either case is unsatisfactory and the solution is to elect Officials at the end of the Season so that the new committee is fully involved in plans for the following Season. Naturally these are matters which are more important to State Branches but it is thought that the change should be initiated in the Australian Association. Year books published by the various State Yachting Associations will have the chance to be correct for the whole of the following season rather than out of date soon after publication.

Rule 5)
Rule 8) These changes advance the year by 3 months.

Rule 12 It is thought that there is an unintentional inconsistency in this Rule as it stands in that although the financial year presently ends on 30th June, fees become due on 1st August. Surely this should be 1st July! The new date of 1st April for due date of fees is arrived at by moving forward 3 months from 1st July.

At present members joining after 1st April have "free" membership to the end of the year. If this date is moved forward 3 months to 1st January one arrives in the middle of the sailing season. It is thought that 1st February is a more reasonable date, which makes the "free" membership period 1st February to 31st March.

Rule 13 This change advances the year by 3 months.

Rule 20 The new date, 1st April is consistent with the new wording of Rule 12, Clause (v).

Appendix A These changes advance the year by 3 months.

(b) The Rules at present do not prescribe a minimum period of notice for the Annual General Meeting. It is thought desirable that not less than 14 days notice should be given and Rule 5 (i) ought therefore be amended to state this.

(c) Rule 5 (ii) states that "a Special General Meeting may be called by the Committee at any time, on 21 clear days notice to the Members." It could be argued that giving more than 21 days notice is as equally unconstitutional as giving less than 21 days notice. The words "not less than" ought to be inserted and the word "clear" deleted to clarify the intention.

(d) There are two changes involved in the rewording of Rule 6:-
(a) Creating a separate Office of Immediate Past President in addition to 3 Vice Presidents.
(b) Changing the name of "Stores Officer" to "Registrar".
Last Annual General Meeting we saw the unfortunate effect of the existing rules forcing out of Office A.J. (Bert) Wright who had been a valued member of the Management Committee, and this occurred because we had a change of President. The creation of the Office of Immediate Past President will provide a better solution to this problem and allow for more continuity of effort from the Officials concerned.

During the last year, the Honorary Secretary has found that a more workable separation of duties between the Hon. Asst. Secretary and Stores Officer is to channel all membership, boat and sail number registration matters through one person namely the Stores Officer. As a consequence it is thought that the name "Registrar" more appropriately describes the nature of the Office.

(e) Members will be sorry to learn that John Keen, Hon. Secretary of the S.A. Branch since its inception will not be standing for re-election this year. It is felt that the success of the class in S.A. has been due in no small measure to John's work and that his election as a Life Member would be a suitable way of recognising his past services.

PRESIDENT'S REPORT – 1967-1968

This report is intended to provide each of you with an account of the stewardship of your Association's officers during the 1967-68 Financial Year, to explain to you where your Association finds itself and to recount some of the more important events and signposts of the year.

Knowledge of the need for this report has been with me since you entrusted me the leadership of your Association on 14th August, 1967. It is only now - as I begin to collect the facts and to set down my thoughts - that I realise why, as General Secretary, I found it so hard to get a Presidential report out of John Dixon-Hughes!

Where does one start? Even more important, where can one stop?

1967-68 has been a significant year for your Association: it is the year in which the Association has matured. Not "come of age", but matured.

In its early years growth was a geometric progression - numbers doubled and re-doubled, year after year. Then came a period of two or three years of steady increase where about 300 to 400 more members were on the register at each year's end.

This year our members are nearly the same as last year - at about the 2000 mark.

I do not believe we have to look far for the reasons behind the coincidence of our numbers this year and last year or for the fact that these numbers are 2000 or so.

Between ourselves, I feel a little smug, for I estimated two or three years ago that our membership would level out at around 2000.

You may question my smugness. You may take the view that it is the beginning of the end to have ceased growing. To those of you who feel this way I say:

"At 2000 strong we are by far the strongest Australian Yachting Class. A chain letter type of numerical increase could not have been maintained indefinitely."

Rather I think we should look for the reasons for our past (and continuing) success.

The most important of these reasons is, of course, the Heron.

What is the Heron?

A sliding gaff rigged, part decked general purpose dinghy.

An 11'3" plywood boat of 4'6" beam, fitted with swinging centreboard and rudder carrying 70 square feet of working sail.

A boat for the home handyman to build.

A "one-design" racing dinghy.

A family "messing about" boat.

An outboard fishing dinghy.

A bit of a tub.

The list is nearly endless.

But the real point is that the Heron is a boat which will do a host of things reasonably well.

She is solid, durable.

She is ONE DESIGN and holds her market price.

She gives excellent racing - racing where tactics are of paramount importance and physical strength, agility and endurance are no match for concentration, care and cunning.

She is big enough to be comfortable for the "portly forties" on the water (where they often turn out to be the "Roaring Forties") but can be trailered (or cartopped) and moored at home on the lawn or slung to the carport roof.

And she is a friendly little tub, uncomplicated, and obviously capable of being mastered by the novice, the raw newcomer to sailing who, having a few dollars to spare, now that the kids have got the braces off their teeth, would like to get off the roads onto the peaceful and serene local (or distant) water ways.

The Heron will hold some of those she attracts for many years.

Others will, when they have mastered her few foibles, decide they are in need of a greater challenge. Or perhaps the kids have grown up and a bigger more powerful boat is needed to exercise a husky 17 year old.

Not a few will find that they (or their wives or their children) don't like getting soaked; or that their wives don't like sitting on the beach or being left at home and will abandon their nautical aspirations in the face of hard reality.

So, we can expect the average chap to be wedded to a Heron for perhaps four or five seasons.

Now, with 2000 members we stand to see 400 to 500 members go out of the class each year. In the past 10 years some 1500 have already come and gone. Of this number the majority are still in yachting - such has been their pleasure in the Heron.

And this, to my mind, is the purpose of our Association.

It is, I believe, our part to attract the novice to the water, to teach him, pilot him (and his family) along a course which will make him a permanent adherent to the yachting fraternity; a man who, remembering the good times he had in a Heron, will advise others to follow him.

As a consequence of this credo I have little patience with those who want to IMPROVE the class, to destroy its ONE DESIGN concept, to make it a complicated racing machine which no one would want to take on holidays in case it got bent.

Let us keep the Heron as a General Purpose Dinghy, a friendly little tub, which any raw novice can obviously master.

Let us keep her ONE DESIGN.

Let her be within the capabilities of the average handyman to build in a few leisure months, for years of leisure pleasure.

And let our Association be prepared to welcome the newcomer, to assist him, to advise him, and, if he decides to move on, to wish him well in his new venture - confident that he will be instrumental, either directly or indirectly, in finding one or two to replace him, because the Heron is a good boat, backed by a good Association.

What of the Association in 1967-68?

Your Management Committee, by the time you read this, will have met on seven occasions during the year. Despite my best efforts as Chairman, most of the meetings have run for over three hours. The Minutes and associated reports cover 39 pages of single spaced typewritten foolscap.

Most of the meetings have been held in Sydney but opportunity was taken to hold the January, '68 meeting in Melbourne.

Much of this meeting was devoted to the Australian Yachting Federation's request for advice as to our Championship venues for the next three years. That New South Wales was allotted the 10th Series is not now news to you. The 11th Series is to be South Australia's and the Tasmanian Heron Racing Association has been invited to explore the possibility of holding the 12th Series in the Hobart area.

And while on sailing - what a magnificent job the Victorian Association did with the 9th Series.

And what a consistent effort by Peter Sievewright and No. 6165 (KUMALE).

Honorary General Secretary, John Shipton and his Assistants Mrs. Barrett and Mrs. Clarke have dealt with 3654 pieces of incoming mail to date this year. The Annual total will be about 4000 at my guess.

They have rearranged their duties to better advantage during the year and this gives rise to a motion, on your Annual General Meeting Notice Paper, to redesignate the "Stores Officer" position as "Registrar". It was found better for Mrs. Barrett to hold and distribute our "Stores" while Mrs. Clarke concentrated on keeping track of members.

That she has done this well is illustrated by a story:- After she had checked over the list of boats starting in a certain championship series (and advised her findings) the relevant State Secretary was heard to say "as a snooper, she's super dooper!"

The Treasurer has assured me, from time to time, during the year that the Association is in good financial health but his day of reckoning will be at the Annual General Meeting at which his accounting is to be presented.

The increase in subscription in 1967 has, it seems, had the desired effect. The Association will be able to pay its way without an unhealthy reliance on sale of plans and buoyancy equipment.

On finance, I submitted a memorandum to your Committee in November, 1967 concerning our Association's financial year - in fact the Yachting Year in General.

It has become apparent to me that Annual General Meetings in August are too late. Officers elected do not have the winter months to plan; Year Books are out of date before they are printed and so on.

To cut a long story short, the Committee have recommended to you, on your Annual General Meeting Notice Paper, that our financial year be 1st April to 31st March; that the Annual General Meeting, 1969 be held in May. A consequential change in State Association Meeting timetables would seem essential.

To digress a moment onto a more durable source of argument - a point on which not all of your Committee agree with me - I believe that the form of past National Championship Series should be maintained.

It should be open for any Heron owner with an"A" class Heron to "be in it."

In my view there are two and a half reasons for holding a Championship series.

Firstly - Publicity. Our daily press is geared to publish the "big" news and the bigger the series the more chance have we of coming under the eye of the man in the street - from whose ranks our future members will come;

Secondly - Conviviality. There is no more enjoyable way of passing a week than to sail and associate with others from round the Commonwealth, to meet and talk with Accountants, Builders, Carpenters, Doctors, Engineers, Firemen, Grocers on common water.

Thirdly - and, without detracting in any way from the achievements of Peter Sievewright and former champions, the half reason is to present some of our members with a trophy - a mark of our esteem, a memento of a series sailed better than the next chap.

We all realize, that there are complications, which an "all in" policy creates, in large fleets. But I believe that, if the racing side of a series can be seen in its proper perspective a solution can be devised which will result in the better skippers sailing against better skippers, the improvers sailing against the improvers and the newcomer sailing against the newcomer - with better racing for all.

The solution might be based on Club handicaps.

Another solution (which I have advocated) depends on sailing say three invitation races with the fleet split quite arbitrarily into "fair" fleets of perhaps 40 to 50 boats. Subsequent regrouping the fleets on the basis of individual boat's performances would result in the top group in each Invitation Race fleet sailing off another three or four races for the championship Silver Heron; another group of the not quite so skilful would sail off for - well, I'll put up a "President's Trophy" - and so on to the "wooden spoon" group.

But back to the report.

The only other item on the notice paper which arises directly from your Committee is one designed to provide for three elected Vice Presidents, as well as the immediate past President. It has been a matter of sincere regret that A.J. (Bert) Wright's presence on the executive was terminated by our lack of foresight last year when Rule changes were being formulated.

Your other Committee, the Measurement Committee has been hard at it throughout the year under F.A. Edward's Chairmanship with Alex Bentley recording its deliberations.

Alex advised me today that his Committee has met 14 times this year and has issued classifications to 326 boats. Of these 273 were "A" class and 53 "B" class. A total of 1458 have been classified to date.

The Measurement Committee's proposal to co-opt Alex McClure from Victoria to its numbers will be welcomed by those who have seen Alex McClure at work.

The volume of its routine work has precluded the Measurement Committee from making as much progress as it had hoped to make on sail measurement techniques. But the first ten years may be the worst with boat measurement too; we hope the 11th year will see the solution to this rather vexed question.

While on sails, I take the opportunity to voice a complaint, a protest, a warning. To my mind your Association's Rules, combined with the Measurement form, make it quite impossible to have in service, in respect of any Heron, at any time, more than one jib and one mainsail.

I reason thus:-

When a new boat is measured, the Measurement form provides for the measurement and recording of one jib and one mainsail.

Rule 24 states that "upon replacement of sails ..... " the boat shall be submitted for re-measurement.

Clearly then, a new suit replaces an old suit; a new sail replaces an old sail and at any time you may have available only one suit for use in competition, where measurement of your boat matters.

If you want to engage in a pocket book derby (which, to my mind is quite outside the concept of the class) and have a wardrobe of sails for your Heron, I suggest you do something about it! Otherwise observe the Rule, and more importantly, the Spirit of the Rule.

A major decision of your Committee during the current year was to scale down its dependence on the Heron Class Association in the United Kingdom. It was a matter of deep personal regret for me that the decision was taken for I have had many years of friendship and helpful contact with Leonard Findlay and latterly with Rene Borra.

However the cost structure of the U.K. Year Book and its subject matter and the timing of its availability in Australia have led incontrovertibly to the conclusion that an Australian Year Book was essential.

And this is its first edition..

Which brings me logically to the last functionary of your Association - a man who needs no introduction and of the value of whose work you will be already well aware.

I'm not sure how Heron Newsletter Editor - Year Book compiler, Phil Rowe will regard this anecdote but it pleased me very much.

When Volume 5 Number 2 of Heron Newsletter - the first of Phil's jobs reached me through the mail I read it through in detail (I did find one typographical error) and thought "Well it was time we had a fresh hand on the helm; this is a lot better than the last few issues."

Then one of your fellow members saw me and said accusingly "I thought you were going to hand over the Heron Newsletter Editorship?" It took a lot of talk to convince him that I had!

So, in my view, Phil has done a good job with "Heron Newsletter". He has taken up the task and carried it on without discontinuity.

Heron Newsletter is, of course, a very powerful instrument in the Association; it is the means whereby we are able to spread the message particularly to the newcomer of whom I wrote earlier.

Phil will welcome your stories of what you have gained from the Heron; of trouble you may have had; of advice you would like to pass on to others.

Remember, if you have been in the Association for only a year, you probably know more than 25% of the members. And the things which you have found out in your first year will not be recalled by those who have been "with it" for three or four years. Your stories will not be published unless you write them.

We have no"overseas" activity to report this year. (Ian Spies spent his spare time in a Finn) but the New Zealand Heron Association hopes for a team of six crews for an Inter Dominion return in January, 1969.

On the home front again - I had the pleasure of seeing Patricia Hawes - Victorian Heron Association President's good lady - present Life Membership Badges, struck during the year, to Stephen Dearnley, Les Nangle and John Shipton. This presentation was made during the 9th Championship Series at the Billings' Barbecue. I hope the other part of the job - in respect of Ken Dane and Neville Corvisy can be completed at our Annual General Meeting, 1968.

A number of interstate visitors have met the Executive in Sydney this year - Alan Robinson from Queensland, Tony Oram from W.A. and John Coen and John Ryan from Victoria. There is an open invitation for all interstate visitors to contact the Executive; meetings of this type are always profitable to both sides.

On a personal basis I thank the Association's Officers, the several State Association Executives, the Committees, Management and Measurement, the Measurers (of whose work too little is said), the Accredited builders who make it possible for the "busy" or "not so handy" to have and sail a Heron and, of course, each of you members, for the chance to work with you and to work for you in a worthwhile enterprise.

H R.H. Prince Phillip's conclusion to his 1968 report to the Royal Yachting Association provides me with an apt conclusion:-

"I am glad if you have managed to read this for it shows that you are interested in the work of the Association.
I hope this report has given you an idea of the immense amount of hard work that is being carried out.
I wish you all happy and successful yachting in 1968" -- and 1969.

W.J. Youll
President
20 June 1968

KUMALE sailed by Peter Sievewright of South Australia winner of the 9th Annual Championships 1968.

President	H.D. Hewer	
Secretary	B. Hutchinson	131 Park St., HOBART. TASMANIA. 7000

EARLY HISTORY OF THE HERON

ORIGIN OF THE HERON

The Heron arose out of a competition, for an easily built general purpose dinghy, suitable for transporting on top of a car, which was sponsored by the English Yachting Magazine "Yachting World". Her designer was Jack Holt, the celebrated English yacht and small boat architect who produced a simple hard-chine design, built on its own frames. The 11'-3" length was dictated by the need to get bottom and side paneling out of two 6'-0" long sheets of plywood. Her beam of 4'-6" gave plenty of room in the boat, with good stability under sail, oars or outboard. She was high-sided - as most of the English designs are - so as to be a dry boat and capable of being used even in really rough weather.

A sliding gaff rig was adopted so that the spars could be stowed inside the hull, for ease of transport. A modest sail area of 70 square feet gave a performance which could be handled by one man, without trapezes and swinging planks, but still enough to move the boat nicely with a couple of adults and a child or two aboard. Folding rudder blade and pivoting centreboard make for a convenient boat, which can be sailed onto or off the beach with a minimum of difficulty.

The design was published in Yachting World in April 1951 as the "Y.W. Cartop". By 1953 a number of the class had been built. The Ruislip Sailing Club and the Bletchley Sailing Club (which had adopted the boat as a racing class) arranged to allocate sail numbers in their respective Clubs so as to avoid duplication. This was only a temporary measure, and on 17th February, 1954 a Class Association was formed. This meeting adopted the name Y.W. Heron (Cartop). Some 95 Herons were at that time sailed by eight Clubs. The First National Championships were held at Ruislip in 1955, when 89 Herons were entered. By October 1965, nearly 6,000 sail numbers had been issued, and while the main strength of the Class is in the United Kingdom, it is sailed all round the world.

STRUCTURE OF THE Y.W. HERON SAILING ASSOCIATION OF AUSTRALIA.

Our Association is somewhat unusual in the Australian yachting scene; whereas most of the Centreboard Class Associations are Associations of Clubs, to which owners of boats belong, our Association is an Association of Individuals where-in every member has immediate access to the Executive and the Committee and to the other members, in General Meetings, on any matter of policy, publicity, and so on which affects the whole of the Association. However, due to the way in which the sport of yachting was governed in Australia (with separate ties between each State Yachting Association or Council and the Royal Yachting Association in the U.K.) the sailing activities of the Class are in the hands of State Heron Associations which now exist in every State and the Territory of Papua and New Guinea.

The State Associations, depending on the strength of the Class in the State, may arrange all the sailing activity for the Class (generally in the form of picnic days where the "family" concept can be exercised) but in the States where the Heron is more numerous, the State Association may limit itself to the co-ordination of the activities of the Clubs regularly sailing the Class and to taking part in the more important Regatta organisations. Where necessary, DIVISIONS may be formed in a particular area of a State to perform, on a local basis, part of the functions of the State Associations. Where a Heron owner wishes to sail his boat in regular competition, it is usually necessary for him to join a normal sailing club, in addition to the Heron Association. Owners are well advised, however, to join clubs where the Heron is sailed as a class and not in an open division. The excellent competition which can be had Heron against Heron is one thing, but the boat is not a hard-to-sail, high-performance machine. It has a relatively low sail area and does not have the speed of the purely racing yachts of about the same water line length.

THE HERON IN AUSTRALIA.

The first Heron was No. 678 DEE KAY, which was in 1965 being sailed by Michael Geeves of Lindisfarne Club in Hobart. The Tasmanian Heron Racing Association was the first organisation set up to govern the sailing of Antipodean Herons. However a centre of interest which developed in Sydney, under the guiding hand of the first Secretary to the Y.W. Heron Sailing Association of Australia, Stephen Dearnley, became the main driving force in the proliferation of Australian Herons.

That this should be so probably derives from the somewhat different use to which the Tasmanian and Australian Herons were put - the Tasmanian Association was a Racing Association, whereas Stephen Dearnley realized the potential of the Heron as a family yacht, capable of being skippered and crewed by any combination of child and adult - Dad could teach Junior (or Junior could teach Dad). There are even a few husbands and wives who manage to sail together. The Y.W.H.S.A. of A. was formed on 4th August, 1958 with a total of six members and five boats.

The Minutes of the 1st Annual General Meeting (12th August, 1959) show 25 members with 15 boats. The first Championships were sailed at Clontarf on the 30th April - 1st May weekend 1960 -Frank Jones, 1583 SARANGA, Allan Ball, 1689 QUARTET, and Ross Fielder, 1876 SONOMA filled the places.

By the Second Annual General Meeting, 10th August, 1960, membership was 61, with 46 sail numbers issued. Twentyfour boats started in the Second Annual Championships at Clontarf on 25th/26th February 1961, when the Silver Heron was won by K.W. (Bill) Payne in 2415 THERON, with W.H. (Bill) Abbott in 2718 BALLINA second, and Ross Fielder in 1876 SONOMA third.

By the Third Annual General Meeting, membership had grown to 90 with 70 sail numbers issued, including N.S.W. country, Victoria and several in New Guinea. This meeting saw the Rules amended to permit the formation of State Associations and also agreed to the formation of the N.S.W. Heron Association. On 11th October, 1961, the Association Meeting adopted as its Burgee, the Heron emblem in white on a dark blue ground. An important affirmation of policy appears in the Minutes of the Association Meeting of 6th December, 1961 where it was agreed "that as the Association, following the pattern of the parent body in the U.K. was formed to promote Herons as a "ONE DESIGN", this object should be maintained and be the deciding factor in any consideration of amendments or alteration to the Class. The distinction between a "ONE DESIGN" and a RESTRICTED Class was stressed by the Honorary Secretary who stated that all Herons should be theoretically exactly equal in performance and any difference in performance be due solely to the ability of the separate helmsmen." A Sailing Committee report dealing with measurement, skeg, thwarts, planing boards, boxing-in, buoyancy, rubbing strips and standard of workmanship was then adopted. About this time the Association recommended that those of its members who sailed regularly from Clontarf on Middle Harbour, (formerly a meeting place for all the Association), should form a "Club", so as to place themselves on an equal footing with established Clubs sponsoring the Class - e.g. Balmoral, Connel's Point and Lake Macquarie Yacht Club.

The Third Championships saw 48 entries; the Series was sailed at Clontarf on January 27th, 28th and 29th, 1962. Bryce Mortlock, in 2415 THERON gained the Silver Heron, with Kevin Rogan in 2978 AQUILO second and John Shipton in 3128 PRELUDE as place-getters. The guiding hand of Stephen Dearnley was temporarily removed from the Association's helm in March 1962 when he went overseas. Stephen was elected to Life Membership of the Association at a meeting 14th February, 1962. An event of signal importance to the Association which arose out of his trip was the decision by Iliffe Press - holders of the copyright on the Heron Plans - to grant the Association a sole franchise for the distribution of these plans in Australia. John Helmich, in his retiring President's Report to the Third Annual General Meeting on 8th August, 1962, gave a total membership of just over 200. He also indicated that the Association would no longer arrange a sailing programme but would hand this function over to the State Associations and Clubs. Control of the National Championships would remain with the Association. The formation of the Victorian Heron Association was also approved at the Third Annual General Meeting.

All through 1962 - and particularly during the Winter - discussions on boat measurement and modifications had exercised the Association's Committee. These discussions culminated at the Third Annual General Meeting, in the decision to hold a Special General Meeting at which a definitive stand would be taken by the Association on what would (and would not) be accepted as a Heron. The Minutes of the Special General Meeting of the Association held on 23rd August 1962, had very far reaching effects upon the policy of the Association and the future of the Class. A Committee Meeting on 5th September 1962 decided to issue Measurement Certificates to each boat as it was measured.

The Fourth Annual Championships were hosted by the Balmoral Sailing Club on 26th, 27th and 28th February, 1963. The President, Stephen Dearnley took No. 3000 WINDOO to a clear victory with Kevin Rogan in 2978 AQUILO runner up, and Bryce Mortlock in 2415 THERON in third place. A total of fifty Herons sailed in the Series. In his retiring report to the Fifth Annual General Meeting, Stephen Dearnley gave the membership figure as 456. He set up for the Association the goal of National Status for the Class.

The Fifth Annual Championships were held on Pittwater with the Bayview Yacht Racing Association as host Club. Three States, N.S.W., Victoria and Tasmania were represented in the fleet of 77 Herons which started in the Series on the 25th, 26th and 27th of January 1964. The Silver Heron was taken in the Fifth Championships by Jack Muston in 4279 BLUEJACKET, with Eric Quarford in 3898 SEAFORTH second, and Laurie Andersson in 3996 ZEPHYR third.

The Sixth Annual General Meeting, on 10th August 1964 was a strictly business, rather than social gathering and produced some further important definitions of policy on the ONE DESIGN concept of the Class. The I.Y.R.U. Rules were formally adopted (this was only a statement of practice of the Association since its inception). The power to form "Divisions" was given to State Associations. A move to strengthen the rule on Measurers was defeated - on the basis that what was needed could be achieved administratively. Another move to permit modification of the bow block structure was thrown out. Rudder blades were strengthened to 1/2" maximum. A move to follow the U.K. Association rule change on Black Bands was lost. The mandatory provisions of the I.Y.R.U. Rules on Anchors was waived. Proposals for limiting the age of junior crews produced hot debate but the motion was lost on the ground that it was up to the Clubs and members themselves to look out for the chap who was taking risks. The President's Report gave membership at that time as approximately 900, with 876 Sail Numbers issued. A Committee Meeting on 23rd November 1964 adopted an interpretation on the construction of bow blocks, to clarify the situation which arose out of the loss of the motion at the Sixth Annual General Meeting. The block is to be of solid timber, but may be laminated out of several pieces. It may not be covered with plywood.

The Sixth Annual Championships set the seal of a truly National Organisation on the Association for they were held out of N.S.W. for the first time and were attended by Victorian, New South Wales, South Australian, Tasmanian and Paupa - New Guinea helmsmen and boats. Over 50 boats competed on the Royal Melbourne Yacht Squadron's course on Hobson's Bay, Port Phillip. New South Wales skippers showed that they could handle the wild Victorian water as well as the locals. Eric Quarford, in 3898 SEAFORTH took the Silver Heron with Jack Muston in 5079 BLUEJACKET in second place and Paul Hopkins in 4474 WAP was third. A point to note is that No. 678, DEE KAY, was still there, in 12th place, a creditable performance for Michael Geeves and his equally youthful crew.

The 7th Annual General Meeting, on 15th August, 1965 heard President John Dixon-Hughes report that membership had grown to nearly 1400 and also announce that the Australian Yachting Federation had granted National Status to the Heron Class; it had representation by formal State Branch Associations in all States save Western Australia. The Meeting went on to consider some machinery matters on the Officers of the Association, Auditors, Constitution of the Committee and Registration Fees. It passed a rule change which imposed a 5 lb. weight penalty on boats with built-in buoyancy and rejected a motion to permit windows of transparent material in sails. John Ensor Shipton, a Past-President of the N.S.W. Association and a staunch Balmoral Club member was elected Life Member of the Association.

This is the history of the Heron in Australia to 1965.

U.K. TROPHY

Several years ago, the Committee decided to present, to the Heron Class Association in England, as a mark of filial affection, a Trophy for perpetual competition.

The difficulty has been to find a trophy with an Australian motif. The Committee has adopted a piece of Australian Made Plate - a photo of which appears below.

This is to be called the "BROLGA PLATE" after Heron No. 1353, Stephen Dearnley's original Heron, the Australian Heron on which the proliferation of the Class in the Antipodes has been based.

CONSTITUTION AND RULES

OF THE

Y.W. HERON SAILING ASSOCIATION OF AUSTRALIA

NAME

1. NAME. The Name of the Association shall be the Y.W. HERON SAILING ASSOCIATION OF AUSTRALIA
and the Class shall be known as the AUSTRALIAN NATIONAL HERON CLASS.

OBJECTS

2. OBJECTS. The objects shall be
(i) To encourage the growth of the Class as a "ONE DESIGN".

(ii) To ensure racing on equal terms by making rules for the regulation of racing among boats belonging to the Class.

(iii) To ensure that all such racing takes place under the Rules of the International Yacht Racing Union except as those Rules shall have been modified by the Royal Yachting Association and the Yachting Authorities of the States of the Commonwealth of Australia and these Rules.

(iv) Where necessary to allow the formation of State Associations to control the racing of Herons within their respective States and to represent the Class in all dealing with the sailing authorities of these States.

Such State Associations shall have the power to form DIVISIONS within their respective States where necessary for local liaison between Clubs.

(v) To publish a Periodical to be known as HERON NEWSLETTER; issues to be made at least quarterly; all copies posted to the private addresses of members or contributors to be forwarded regularly. The price to be included in the annual subscription and $1.40 per annum from each members annual subscription shall be set apart for the journal and be separately accounted for in the Annual Balance Sheet and duly audited.

CONSTITUTION

3. MEMBERSHIP. Membership shall be open to owners of "Heron" Dinghies and others interested in the Class.

The following grades of membership shall exist:-

(a) sole owners;
(b) joint owners, where the ownership is registered in several names but only one subscription is payable;
(c) part owners, where the ownership is registered in several names but subscriptions are payable by each part owner;
(d) life members who shall have been duly elected by a two-thirds majority of the members in Annual General Meeting and who shall number not more than ten at any one time;
(e) non boat owners.

4. VOTING. (i) At General Meetings only those members in grades (a), (b), (c) and (d) may vote; those in grades (a) and (d) shall have one vote and those in grades (b) and (c) shall have one vote between them per boat.

(ii) Members who are unable to attend a General Meeting of the Association may record their votes by post on any motion set out in the Agenda of that meeting. Postal votes and proxies in the form of Appendix "B" to these Rules must reach the Secretary 48 hours before the time fixed for the meeting.

5. MEETINGS. (i) The Annual General Meeting shall be held in the first fortnight in August in each year.

(ii) A Special General Meeting may be called by the Committee at any time, on 21 clear days notice to the Members.

(iii) On the written request of not less than ten percentum of the members, stating the purpose of such a meeting, the Secretary shall call a Special General Meeting of Members to be held within two calendar months of receipt by him of the requisition. The requisitionists shall lodge with the Secretary an amount of money sufficient to pay the cost of printing and postage to members of the Notice calling the meeting.

6. OFFICERS. The officers of the Association shall be a President, Three Vice Presidents, Honorary Secretary, Honorary Assistant Secretary, Honorary Treasurer, Stores Officer and Editor, Heron Newsletter, who shall be elected annually, except that one of the Vice Presidents shall be the immediate Past President, if he be available.

7. AUDITORS. One Honorary Auditor shall be elected annually.

8. MANAGEMENT COMMITTEE. The management of the Association shall be vested in the officers of the Association, the Life Members and a Committee. The officers of the Association shall appoint to the Committee Representatives recommended by the State Heron Associations. The number of representatives to be appointed to the Committee from each State Association shall be the dividend, exclusive of fractions, obtained by dividing ten times the number of members resident in that State on the 1st August at the commencement of the relevant year who are eligible to vote under the provisions of Rule 4, by the total number of all such eligible members in the Association; provided that, where such dividend is less than unity, the number of representatives shall be one.

9. TECHNICAL ADVISER. The officers of the Association may appoint a Technical Adviser annually.

10. ALTERATION OF RULES. (i) No alteration of these rules shall be made except at an Annual General Meeting, or at a Special General Meeting of which proper notice has been given.

(ii) Any proposal for the alteration of a rule must reach the Secretary 28 days before the date of a meeting, and shall be signed by the Proposer and Seconder.

(iii) No alteration shall be made to any of the Rules of the Association unless two thirds of the votes cast are in favour of the motion.

11. INTERPRETATION. In the case of any dispute regarding the interpretation of any rules, it is to be noted that it is intended that the rules shall be read in the spirit rather than by the letter of the rule. The decision of the Committee shall be final.

FINANCIAL

12. FINANCIAL. The Annual Subscription shall be payable on the 1st day of August, or on joining. The subscription of members joining on or after 1st April in any year shall cover the period to the end of the following Association year.

Annual subscriptions for the time being shall be

for sole owners	-	$4.00
for joint owners	-	$4.00 - jointly
for part owners	-	$4.00 - for each part owner
for life members	-	Nil
for non boat owners	-	$4.00

and shall be determined from time to time by the Management Committee.

13. ACCOUNTING. (i) The accounts of the Association shall be made up to the 30th day of June in each year.

(ii) All funds accumulated by the Association shall be banked within 14 days of receipt.

(iii) All payment cheques shall be signed by two members of the Committee.

14. IMPREST ACCOUNTS. The Association shall open and maintain an Imprest Account on behalf of each State Association upon which the officers of that State Association shall be authorised

to draw and which shall be reimbursed by the Association upon presentation to it of an accounting by the State Association of monies expended by the said State Association from the said Account.

15. REGISTRATION FEES. Upon the initial issue of a Sail Number in respect of a Heron Class Yacht in accordance with Rule 16 or upon transfer of a class certificate from an owner to a purchaser as provided in Rule 20 (v), a fee of $2.00 shall be payable by the new owner to the Association.

16. SAIL NUMBERS. Sail numbers will be issued on application to the Secretary of the Association and the number shall be carved on the transom beam or deck beam inside the boat.

MEASUREMENT RULES

17. MEASUREMENT COMMITTEE. There shall be a Measurement Committee which shall be appointed by the Management Committee of the Association and which shall operate under the constitution set out in Appendix "A" to this Constitution and Rules; such Appendix "A" shall form part of these rules.

18. MEASURERS Official Measurers shall be appointed by the Management Committee. The Measurers shall adhere strictly to the instructions issued to them by the Management Committee, which may terminate any appointment at its discretion.

19. MEASUREMENT FEES. Upon the completion of a boat for which a sail number has been issued in pursuance of Rule 16 or upon replacement of sails or repair of extensive damage to the hull of a previously measured boat, the Owner shall notify the Association of the circumstances in writing; the Association shall thereupon advise the Owner of the name and address of a Measurer and it shall be the responsibility of the Owner to effect a mutually convenient arrangement with such Measurer to inspect, measure and report to the Association upon the boat as to its suitability for the awarding of a class certificate as provided for in Rule 20. No fee shall be payable for measurement but the Owner shall meet all reasonable travelling and out of pocket expenses incurred by the Measurer.

20. CLASS CERTIFICATES. (i) "A" Class Certificates shall be granted to all boats built to the Y.W. "HERON" official plans (subject to any modification agreed by the Association) which pass measurement within the tolerances laid down by the Association, and which, in the opinion of the Measurement Committee are built fairly to plan and in accordance with generally accepted standards for amateur built craft.

(ii) "B" Class (Restricted) Certificates may also be granted to boats built to the Y.W. Heron Plans which fail to comply with tolerances laid down by the Association or which, in the opinion of the Measurement Committee are not built fairly to Plan.

(iii) "C" Class (Provisional) Certificates shall be granted to owners upon issue of a sail number.

(iv) The Measurement Committee shall have power to withdraw, alter or restore a Class Certificate when there has been a change in the condition of the boat or when re-examination shows that the original Certificate was inappropriate.

(v) All certificates shall be renewed annually on 1st August. In the event of the sale of a boat, the certificate shall be returned to the Secretary for transfer to the new Owner.

21. ASSOCIATION LIABILITY. When a classified boat is sold the Association does not accept responsibility for faults therein.

22. HULLS. Hulls shall conform to the lines, dimensions and specifications detailed on the official plans supplied through the "Yachting World". The weight of the hull with decking and fixed fittings, including footings or floorboards, but stripped of all loose gear, including sails, spars, rudder and buoyancy, shall not be less than 140 lbs., except that where a boat has built-in buoyancy, the minimum hull weight shall be 145 lb.

23. SPARS. The spars shall be of wood and must conform to the dimensions given in the Official plans, except that a tolerance of plus 1/4" or minus 1/8" will be allowed on the diameter of the mast and the gaff may be left square in section provided that the finished dimension is such that it will pass through a 2-1/8" square, one side of which lies in a plane parallel to fore and aft plane through the gaff. The mast may be laminated vertically.

Gaff Jaws: Gaff Jaws need not conform to the shape shown on the Official plans provided that they neither alter the type of rig nor their intended function.

24. SAILS. Sails shall not exceed the dimensions on the Official plans and may be of any woven material, but a suit must not exceed $70.00 in retail cost, exclusive of hanks, insignia, numbers, battens and colouring. Sails in use before the 18th March, 1957 are exempted from

this rule, but any replacement must conform. Transparent panels are not permitted.

There shall not be more than three batten pockets in the mainsail and none of these shall exceed 24" in length, provided the sails measured before 1st September, 1962 where only the batten pockets do not comply may be accepted. The position of the batten pockets is optional. A leech line in the mainsail is permitted.

The roach of the mainsail must not exceed 9".

Spinnakers are not allowed, but the clew of the jib may be boomed out on the opposite side of the mast to the main boom by a spar, which shall be attached to the mast at its inboard end.

25. BLACK BANDS. A black band shall be painted on the side of the boom, with its inner edge 7'6" from the aft side of the mast, and the foot of the mainsail shall not extend beyond the inner edge of this band.

A black band shall be painted on the mast with its lower edge 4'0" above the hog. The lower edge of the boom must not be above the lower edge of the band.

26. MODIFICATIONS. The following modifications are permitted.

The addition of Wash Boards, Chine Rubbers, a Stern Knee, Stern Decking, a Kicking Strap, Toe Straps, Jambing Cleats for jib sheets, which may be led through adjustable fair leads and outhauls for mainsail foot tensioning while under way.

Rubbing Strips on the Gunwales may extend out from the hull a maximum distance 2 1/2" forward of the Chainplates and 2" aft of the Chain plates. Rubbing Strips on the bottom of the boat shall be optional.

Thwarts and Side Seats may be of timber, or plywood and timber composite, provided that their strength is not less than that of the design on the plans.

Skeg: The skeg must conform to the profile shown on the plans but may be faired off towards the after end.

Floorboards: The design of the floorboards is optional.

Centreboard Case: The centreboard case may be of plywood but only if the sides are not less than 3/8" in thickness.

Centreboards: The centreboard may be of other timber than the 3/8" plywood specified and may be covered with glass fibre cloth and resin.

Fore-deck: An additional deck beam or carlin may be fitted between No. 1 and No. 2 frames.

Tiller: Tiller and extensions need not conform to the dimensions specified in the Official plans.

Shrouds: The method of attaching the shrouds shall be optional, provided that the chain-plates are in position shown in the official plans.

Mainsheet: The lead of the mainsheet may pass from the transom through blocks in the cockpit of the boat but may not otherwise deviate from the arrangement shown in the plans.

Halliards: Halliards must be fitted in such a way that both sails and gaff can be readily lowered without lowering the mast. Halliards may be of other material provided that they are not weaker than those shown on the plans.

Sheets: Sheets may be of any sizes or any material provided that they are not weaker than those shown on the plans.

Fittings: Fittings need not be identical with those on the official plan.

Forestay: The forestay may be fastened at the stemhead instead of passing through the decking.

Rudder: Rudder blades may be of 3/8" or 1/2" plywood.

SAILING RULES

27. ELIGIBILITY TO RACE. (i) Boats classified "A" Class shall be eligible to compete in all events organised by or on behalf of or under the Rules of the Association.

(ii) Boats classified "B" Class shall be eligible to take part only in races decided on Handicap.

(iii) Boats classified "C" Class shall be eligible to take part only in Club Handicap events, at the discretion of the Club organising the event.

28. CREW. (i) In all races under Association Rules the crew shall be at least two, unless otherwise stipulated.

(ii) One member of the crew must be a member of the Association.

29. BOAT BUOYANCY. (i) Sufficient buoyancy must be carried to ensure the safety of the crew at all times. Built-in buoyancy compartments are permitted ahead of frame 2 and astern of frame 5 but are not allowed in any other section of the boat. Where inbuilt buoyancy is constructed it is recommended that P.V.C. Bags or other suitable flotation material is enclosed in the built-in section.

(ii) Buoyancy consisting of P.V.C. Bow Bag and Pillow Bag aft and two boat rollers will be accepted as sufficient buoyancy without undergoing test. The Committee may from time to time announce other buoyancy combinations, as fulfilling the minimum buoyancy requirements, which will not be subject to annual testing.

(iii) All boats not complying with preceding requirements shall have their buoyancy tested in the first instance by the Measurer, and thereafter, under Club arrangements once a year. Certificates shall be issued by an official of the Club making the test, and no boat shall be permitted to race unless the buoyancy is in place and the Owner is in possession of a certificate granted no more than twelve months previously to the date of the race.

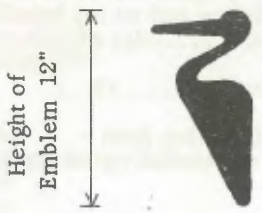
30. PERSONAL BUOYANCY. An efficient aid to flotation complying with Australian Standard Z 28 "Buoyancy Vests" (issued by the Standards Association of Australia) shall be worn by each member of the crew while racing in all events conducted by or on behalf of the Association.

31. OARS. Oars or paddle(s) must be carried in the boat in all Association races.

32. ANCHORS. Anchors and Cables or warps as prescribed by Rule 23 of the Rules of The International Yacht Racing Union may be carried, but shall be carried only when prescribed in the Sailing Instructions.

33. TRAPEZES, etc. Trapezes, sliding seats or similar contrivances for increasing the stability of boats shall be barred.

34. CAPSIZING. If a boat capsizes during a race, that is, if the top of the mast touches the water, the boat is disqualified and must retire.



THE EMBLEM OF THE AUSTRALIAN NATIONAL HERON CLASS

The emblem shall be worn on the Mainsail at about one-fifth the height of the sail from the peak and shall face the sail luff with the underside of the "bill" parallel to the foot of the sail and the "back" parallel to the luff.

* * *

SAIL NUMBERS should be 12" high by 8" wide

APPENDIX A

APPENDIX "A" to the Constitution and Rules of the Y.W. Heron Sailing Association of Australia, being the Constitution and Rules of the Measurement Committee.

1) The Measurement Committee shall consist of five members including the Chairman and Minute Secretary. The number may be changed at the request of the Measurement Committee and approved by the Management Committee of the Y.W.H.S.A. of Australia.

2) The Measurement Committee will elect a Chairman and Minute Secretary from their number, annually, as soon as possible after the 1st of May and will notify the incoming Management Committee of the Y.W.H.S.A. of Australia.

3) The Chairman shall be a full member of the Management Committee of the Y.W.H.S.A. of Australia ex-officio.

4) The Chairman and Secretary shall hold office for no longer than three consecutive years, but may then serve on the Measurement Committee in another capacity.

5) The Measurement Committee shall nominate candidates for the Measurement Committee to the Management Committee of the Y.W.H.S.A. of Australia as vacancies occur.

6) A Quorum shall be three of which one may be the Chairman.

7) Decisions of the Measurement Committee shall be reported to the Management Committee of the Y.W.H.S.A. of Australia for consideration at its next meeting.

8) In the event of major disagreement between the Measurement Committee and the Management Committee of the Y.W.H.S.A. of Australia, the recommendations of the Measurement Committee shall be submitted to the next General Meeting of the Y.W.H.S.A. of Australia.

9) Every year one member of the Measurement Committee shall retire by rotation, but may be eligible for re-election. The retirement shall occur on the 1st May, the person with the longest service retiring first.

APPENDIX B

I.....of.....being a financial member of the Y.W. Heron Sailing Association of Australia and owner of Heron Class Yacht No..... hereby appoint.....of.....or failing him .....of.....as my Proxy to vote for me and on my behalf at the Annual/Special General Meeting of the Association held on the.....day of.....19...and any adjournment thereof.

Signed.....this .....day of.....19...

(NOTE :- Instructions to Proxy should be the following form -
"This form is to be used in favour of / against the Motion (s) on Notice dealing with.....".

RELEVANCE: Includes amendments passed at the 9th Annual General Meeting, 14th August, 1967.

Give your Heron
TASKER POWER

Your Heron will really sail when powered with Rolly Tasker sails and gear. Tasker is the Heron specialist – supplying a complete package kit of all hardware, stays, halyards, sheets, sails, etc. You won't beat them for quality and value at the price.

SPECIAL CLOTH IN TASKER SAILS

Benefit from Rolly Tasker's world-wide experience in sailmaking. Tasker sails for Herons are made of special cloth, woven and finished to Rolly's own specifications to cope with Australian conditions and prevailing winds. Your boat will sail faster, and higher with sails carrying the black boomerang.

ROLLY TASKER

Branches are staffed by an Olympian and the holders of over ninety eight championships.

NEED ADVICE ?

Tasker's staff are there to advise you.
